Call for financial committee members

On the FIMCAP General Assembly of 2019, it was agreed that it would strengthen FIMCAP to have a financial committee. The financial committee advises the FIMCAP presidium on financial matters and explores new funding opportunities. The financial committee also works on a long-term financial vision for our umbrella organisation.

Currently the financial committee consists of 3 persons. To strengthen the committee, we are looking for 2 extra members.

The financial committee will be made up of maximum 5 persons.

A financial background or degree is not required. We are looking for enthusiastic persons

- who want to help create a long-term plan on finances.
- Who want to help making the budget for FIMCAP and its activities.
- Who want to think about financial security and stability for FIMCAP on short and long term.
- Who can give advice in financial matters to the FIMCAP presidium and the FIMCAP ICB.
- Who take up an advisory role in fundraising.

What can you expect?

- Working in a small exciting team.
- Having the liberty to work autonomously.
- Reporting to the presidium directly.
- A great learning experience on how to financially run an international network.

Every month there is an online meeting via zoom or another digital channel. We also aim for one physical meeting of the committee per year.

Requirements

- There is an expected commitment of minimum 2 years.
- Being able to speak English is an added value.
- Members of the financial committee need to be member of a FIMCAP member organisation.
